

Climb London's superstar attraction

The biggest stars play here.
The biggest fans flock here.

Now see this world-famous
venue from a whole new angle.

Want to take your team somewhere out of the ordinary? Climb to the top of the world's most popular entertainment venue.

Up at The O₂ is a 90-minute experience your work crew won't forget. Zip up your climb suits. Pull on your boots. Hook up your harnesses. Then make your way up the south face of one of the most striking buildings in London's skyline – team building exercises don't get much more epic than this.

You can head up in groups as big as 30. And the gradual climb means almost anyone can take it on (not just your super-fit colleagues). Leading the way will be our friendly climb guides who know The O₂ inside and out. From its unique architecture to its famous visitors, our guides are loaded up with interesting facts that'll get people talking.

At the summit, you'll all be standing 52 metres above the stars, with 360-degree views across this historic part of London beside the River Thames.

Ready to see this world-famous venue from a whole new angle?

Wow! What an amazing experience. thank you so much. Our group loved it, from the challenge of the climb, the amazing views and the group photo. It's a must do experience and they are all asking "when can we do it again?".

TEAM BUILDING

Original Climb

Head up in the daytime and take in the view. When it's a clear, you can spot landmarks up to 13 miles away.

Climb at your favourite time

Sunset Climb

Climb up as the sun goes down. And making this experience even more out of the ordinary, you'll be watching day turn into night as you walk alongside the meridian line.

Twilight Climb

Scale the roof in moonlight. You'll be surrounded by twinkling lights and stars and, if you climb on a show night, you might even hear what's happening underneath.
